PRESIDENT'S MESSAGE

Spring is here and there have been several clinics over the past couple of months that members have been able to attend and brush up for the riding season.

I would like to thank Ro-No Ranch for hosting a clinic on March 21 & 22nd for the youth and amateur owners. The clinicians were Nola and Rick Shaffer and there are lots of pictures and a write up in this issue.

Middlefield also hosted a two day clinic with Mary Rizo-Patron on March 14 & 15th and Jim Laird has begun a monthly lesson day program at the farm similar to his program at Hillside Farm in PA. Look for the write up and pictures in this issue.

Two more clinics are happening in April for members. Carlos Tobon on April 18 & 19 in Harveys Lake, PA and Rick Shaffer on April 25 & 26th in Southern Maryland.

The May Day Show is coming together for May 2nd & 3rd at the Diamond 7 Arena. This year we are making a Show Program with joint sponsorships for the May and June Show. The sponsorship form is included in this issue and has been emailed to everyone.

The Opportunity Classes are being offered again this year at both shows and an additional non pointed class is going to be added as a test pilot for each division, pleasure, performance & fino.

There will be an Amateur Class for each division that will allow any Amateur to show any horse. They do not have to own the horse, they do have to be a member of PFHA, and they can have shown before. The specific rules will be published shortly.

This class can increase participation at the shows by allowing people who do not own a horse to show without competing in the open classes with the professionals. For everyone who has clients or friends, this is a way for them to join in the fun and participate.

Since the show bill has been completed for the May Show there will be instructions at the show as to where the classes will be placed among the other classes. These classes will be offered at a reduced price of \$20 per judge.

I would also like to mention that there is a sponsorship drive going on now for the construction of our new fino board. Any donations to help offset the cost would be graciously appreciated. The form is included in this issue. All of the donors will be listed in the Glide, website and a banner will be hung in the arena during the Lexington Show.

I hope everyone enjoys the spring weather!

Lisa

ACTION FOR OUR MEMBERS

MASON DIXON PASO FINO HORSE ASSOCIATION MEMBERSHIP DUES

Our 2008-2009 membership dues are due. Please use the membership renewal form in this issue to renew your membership. Please send your check to Karen Baseshore. Details are on the form. For members who have not renewed their membership, your business card has been removed from the Power Glide and the Mason Dixon Website.

PFHA IS COMPILING A HISTORY BOOK

At the PFHA membership meeting, Dr. Margaret Fahringer explained the Historical Committee is compiling a history of the PFHA. They are looking for things that would interest the “old timers” as well as the “new comers”. They are asking members to send pictures, show programs, articles, and anything else of historic significance. Please don’t send your original. Please send the copies to Dr. Margaret Fahringer at **margaret52@me.com** If you need help scanning in your original pictures or papers, just contact Virginia Foster for help. 301-994-2632 or river_house_farm@yahoo.com

PFHA IS ASKING FOR VIDEOS THAT CAN BE SENT TO RFD-TV

PFHA has renewed its contract with RFD-TV to air more PFHA videos. PFHA is asking its members to submit quality videos so they may compile new videos for RFD-TV programs. RFD-TV does not charge PFHA for the air time. PFHA would need approximately \$650 to compile your video in a format suitable for RFD-TV. Or you could compile them yourself. Dwight Graber is the point man on this at PFHA. If anyone is interested in providing a video, contact Virginia Foster at 301-994-2632.

HELP NEEDED FOR THE SILENT AUCTION AT OUR LEXINGTON SHOW

HELP! Due to a change in job schedule I will not be able to attend the Lexington Horse Show to run the silent auction, so I desperately need help. I will still be able to gather donations, and get things organized, but need a volunteer to physically set up and supervise the silent auction at the show. This year it will be a silent auction only, so don't worry about having to talk on a microphone, or cajole people into bidding. Any help will be greatly appreciated. Also, we need items to auction off. Gift baskets are a great seller at the auction. If you can help at the auction, or have something to donate, please contact Ann Bastian at annbastian@msn.com, home at (610)670-1148 or cell (610)781-8820.

Ron and Terri Moebuis are really looking forward to spring coming and getting back on the trails this year. About every other weekend, you can find them camping with their horses at the League of Maryland Horsemen campground. It's a great weekend getaway and they have met so many horse friends. They usually ride the beautiful trails of Patapsco State park during the day. You can ride there every day of the week and ride different trails so they never get tired of it. Ron is famous for his "bonfires/campfires" at night. There's usually lots of friends gathered around, roasting marshmallows, making s'mores and of course the main subject is about riding horses.

Besides camping at the League they also do other away trips.... as much as their jobs allow anyway. The past 2 years, they have gone to Elk County Pennsylvania at the Big Elk Lick campground. The Elk come right down into the campground in the evening and early morning hours. Sitting around the campfire at night you can hear the bugling of the elk in the mountains. They usually ride different trails every day. Sometimes they ride to deserted mountain cabins and have lunch or ride the surrounding state forest land. Elk County is usually their long trip of the year lasting 10 days. The Paso Fino horses are a natural to the mountain riding and surprisingly have little reaction to the elk. Sometimes the elk come right out onto the trail in front of them while they are riding. Last year a bear and her cub were spotted. Lucky for Ron and Terri, they have not spotted any rattlesnakes which are common in that area.

Ron and Terri have camped at Fair Hill in Cecil County, Maryland with another riding club called Valley Lea. They have camped at Micheaux State Forrest, just north of Gettysburg and of course Artillery Ridge at the Battlefield ground. In the plans for this coming year (besides Elk County) is a new place called Lost River in West Virginia. They enjoy going to new places and exploring new trails. And what better way to do it than on a Paso Fino! They currently own 4 Pasos and enjoy every minute of their time camping and the good friends they have meet along the way.

Terri leads some rides for the League of Maryland Horsemen throughout the year and plans to invite Mason Dixon to join some of the rides that she hosts. If there is enough interest or if there is anywhere you would like to ride in the North central Maryland area or south central Pa area Terri would love to show you the trails. There are not many places Terri hasn't ridden in that area. As Ron always says "Terri rides 8 days a week.....Every day and twice a day when she gets a chance".

Happy Trails!!!

REGIONAL NEWS—HAPPY TRAILS FROM RON AND TERRI MOEBUIS

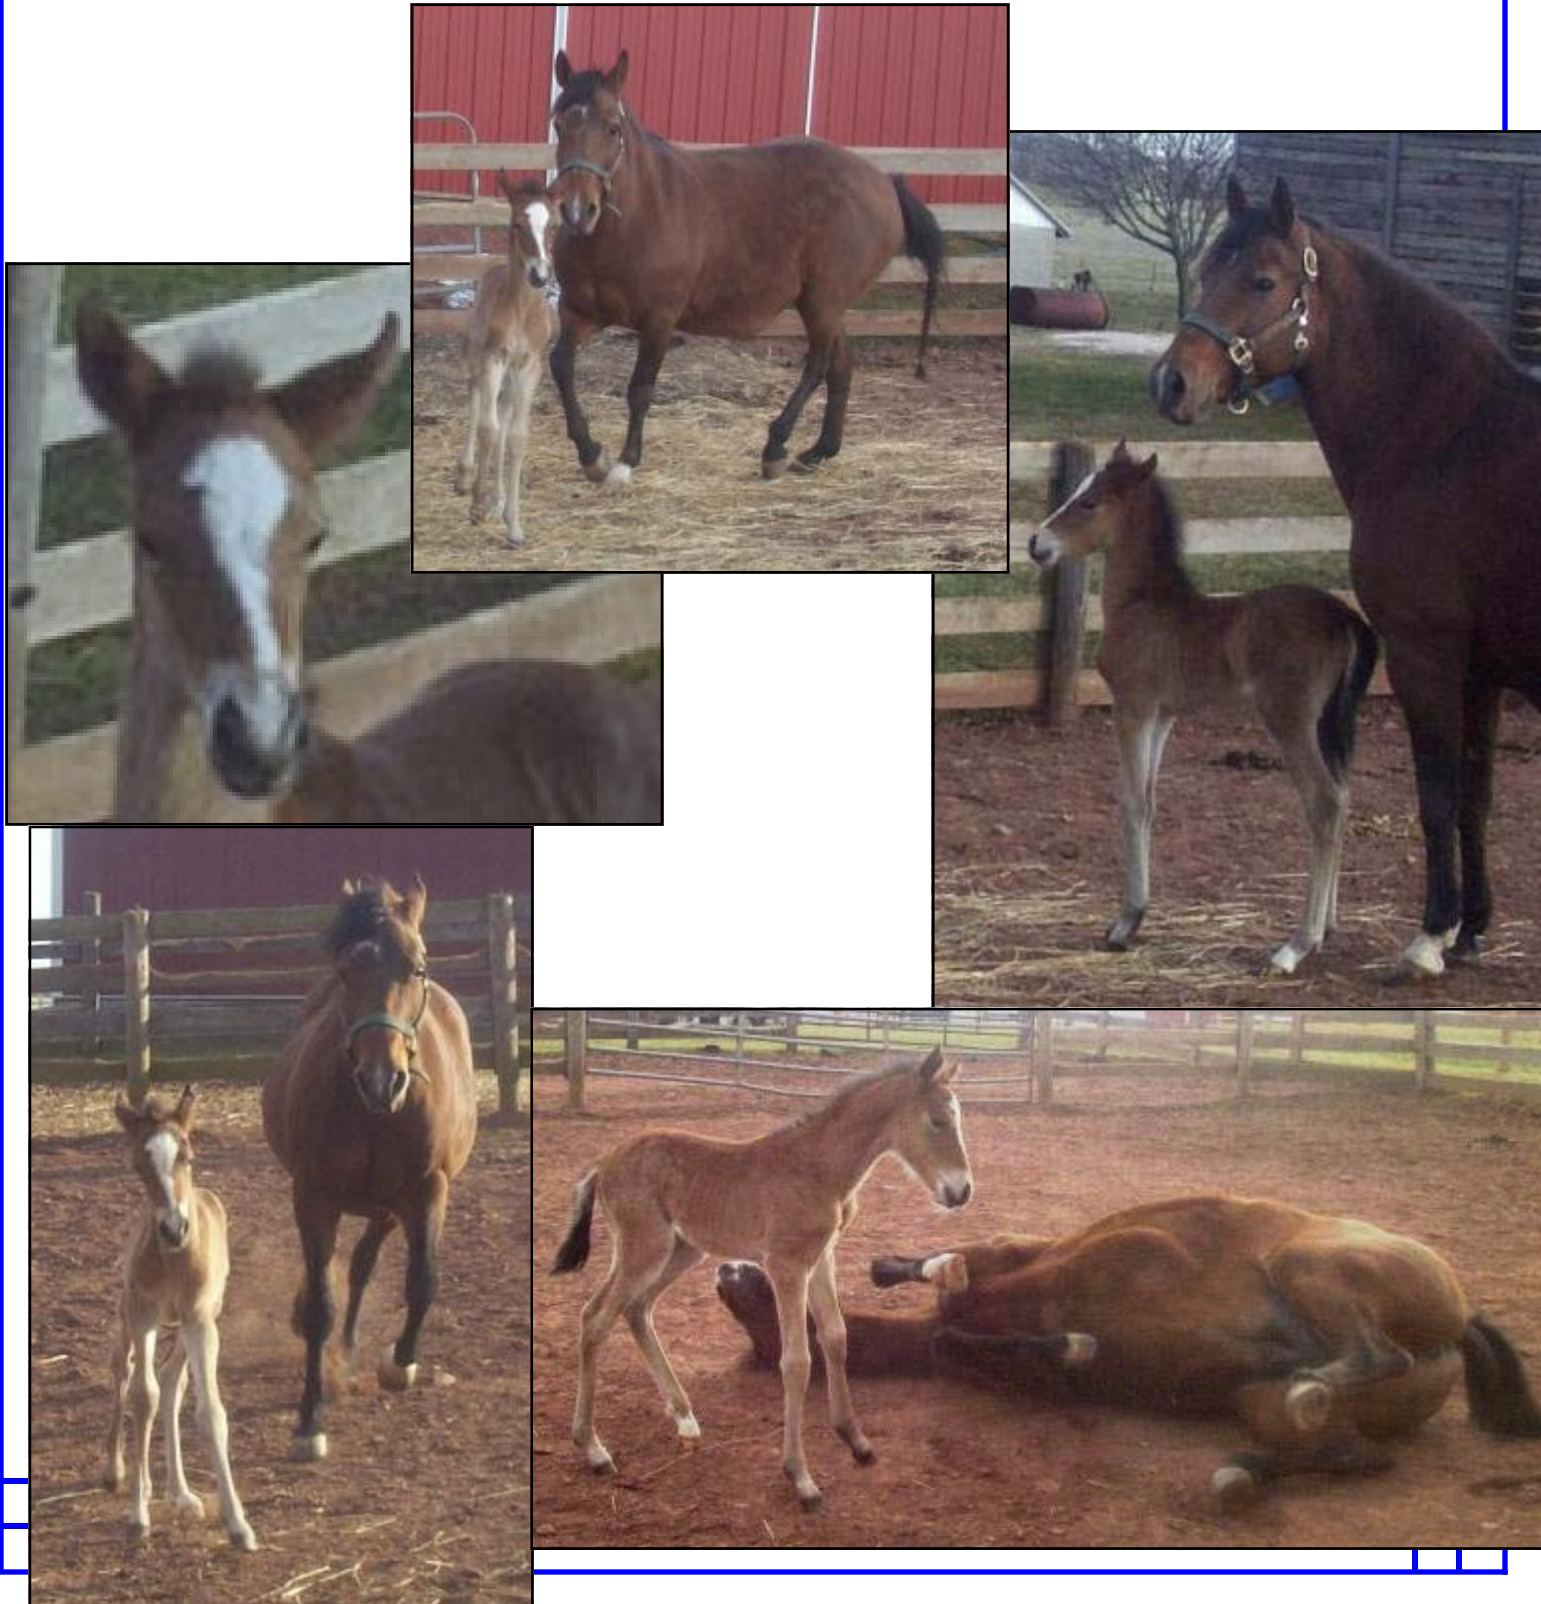

REGIONAL NEWS—HAPPY TRAILS FROM ADAIR TODDES

Adair, nicknamed Bunny, feels she is the only person in the world with a wonderful “free” horse. This is a case you can look a gift horse in the mouth. Adair’s gift horse is Reba, a 17 year old mare. Reba was given to Adair about 2 and a half years ago from a woman in Gettysburg. The previous owner Laverne had Reba for several years, but did not ride her more than a couple times. Reba was from Maryland. Fortunately, Laverne and Adair used the same blacksmith and vet, so Reba was known to them. Adair has taken her to clinics with Nola Keil and Jim Laird. She is working on the gaiting thing. Reba is an excellent trail horse- sensible and very sure-footed; she never gets into trouble. Adair just loves her. Adair wants to mention how kind and supportive all the Paso people have been. What a welcoming bunch! Sherrie Becker was trying to track Reba's origins. Adair has no papers. Maybe someone out there will recognize her. Thanks!

REGIONAL NEWS—NEW ARRIVAL AT MIDDLEFIELD FARM

Lisa and Keith welcomed a new little foal at Middlefield Farm. The mare kept Lisa and Keith up many a night before she decided it was time. As Lisa says, “She’s a cutie”.

REGIONAL NEWS—PENNSYLVANIA HORSE WORLD EXPO AT HARRISBURG

Submitted by Carolyn Marinko

“A few years ago, people used to walk up to our booth having no idea what a Paso Fino was.... Not anymore. Since we have been doing these demonstrations, people walk up to our booth and want to know more about the breed,” related Nola Hauptert-Keill. It was almost non-stop action on Saturday at our booth. Many folks stopped by to watch our gelding “horsing around” and to chat with us. Several passersby commented on how much they enjoy our demonstration in the Parade of Breeds event. Big thanks to Diane Dutt, Karen Baseshore, Sheri Becker, Robbie Hauptert-Keill, Nola Hauptert-Keill, Jess Brosko and everyone who brought horses out for this event. *You all did a beautiful job out there in the Equine Arena.* We gained some new memberships from current Paso Fino owners and some who hope to own Pasos in the future. We owe Sheri Becker and her helpers appreciation for setting up our booth. They created an attractive display of photos of Mason-Dixon members participating in a wide variety of activities with their horses. Videos of club highlights with catchy music also drew a lot of interest. Our young ambassadors of the breed, most notably Robbie Hauptert-Keill, Mindy Marinko and Sydni Stockert engaged equine enthusiasts in conversations and shared information eagerly. Thank You to everyone who made the 2009 World Horse Expo at Harrisburg a safe and successful event!

REGIONAL NEWS—JIM LAIRD CLINIC AT MIDDLEFIELD FARM FEBRUARY 14, 2009

Given by trainer Jim Laird

Jim started the clinic off with class room instruction on the basics of gait—good balance for both horse and rider. He discussed the foot falls of the trot versus the pace. After the class room, all riders mounted up and entered the arena as a group.

FEBUARY 14, 2009 (CONTINUED)**

Lisa, Keith, and family have worked hard to make Middlefield Farm a top notched facility. The training barn is beautiful, complete with heated tack room, kitchen area, hot & cold wash racks and of course a fino board. The well kept farm is over 200 years old set in beautiful Carroll County.

**REGIONAL NEWS—JIM LAIRD CLINIC AT MIDDLEFIELD FARM
FEBUARY 14, 2009 (CONTINUED)**

Jim brought all the riders into the ring and then had each rider complete exercises one at a time. The other riders observed and asked questions, while they waited their turn. Jim demonstrates how to flex a horse from the ground. He explained you ask and don't release until they give to the pressure. When a horse is stiff, he will brace against the pressure. He kept the auditors engaged by turning and addressing them through out the day.

REGIONAL NEWS—MARY PATRON RIZO CLINIC AT MIDDLEFIELD FARM

Even if you don't have a horse to bring to a clinic at Middlefield farm, come for the food. Homemade chili, chicken soup, desserts. All the good stuff that kept us warm. The camaraderie was great too. There was plenty of time to chat with Mary and her husband Alfredo. Mary demonstrated exercises that you can do to flex and strengthen the top line of your horse, especially for the broodmares. Riders included Cindy Mills on Bravo, Kathy Dell on Casanova, Terri Moebius, Belinda, Nancy Thomas, Emily Collins on Diosa, Tammy, Barabara, and Lisa.

Two ladies attending the clinic showed their equitation expertise.

Nancy Thomas, on Lisa's chestnut gelding Casanova, showed she knew how to apply aides to get Casanova to shift his weight and work off his haunches.

Barbara from West Virginia is an endurance rider who didn't let Bravo, the grey gelding in the bottom two pictures, get away with any of his evasive maneuvers.

REGIONAL NEWS—MARY PATRON RIZO CLINIC AT MIDDLEFIELD FARM (CONTINUED)

Mary and Alfredo brought their stallion El Triunfo de La Libertad to his new home at Middlefield Farm. Mary used him to give a conformation discussion. She broke down the various parts of the horse and described what to look for in a well put together horse. She allowed Tammy from West Virginia ride El Triunfo. Tammy has a son of El Triunfo. The Paso grin was beaming as she went down the board at a fino gait.

REGIONAL NEWS—MARY PATRON RIZO CLINIC AT MIDDLEFIELD FARM (CONTINUED)

Mary Patron Rizo worked with Terri Moebuis on things that will make trail riding more safe. Mary stressed balance and rider position so if the horse spooked, the rider won't be thrown because she was already off balance. After all her time riding trails, Terri had the deep seat and balance over her feet down perfect. At first, Terri's gelding was too afraid to approach the tarp. After a few minutes of encouragement, Mary had the gelding thinking it was his idea to cross the tarp. Mary didn't want the horse to leap over the obstacle. She didn't want to force it over by driving him forward. She just gave the horse enough time and confidence that he stepped over it, one foot at a time.

Given by trainer Nola Keill and judge/trainer Rick Shaffer for the
Mason-Dixon PFHA

Article written by Rachel Fitzmorris

Twelve Mason Dixon area riders participated in this exciting two day clinic, which was offered at nominal fees. An enthusiastic crowd of auditors was able to interact with the clinicians throughout the weekend. The PFHA's Amateur Owner Committee provided participants with some copies of their show guidelines for amateur owners.

Nola set up a variety of trail obstacles which the riders used to test their level of understanding with their horses. Barrels were set close together to weave (and back) around, a teeter-totter, mailbox, rope-gate, and streamers to walk under.

During group work the riders practiced for the show ring. They took turns to take the board, line up and back up for the 'judge'. Nola gave tips on ring craft while Rick explained what judges are looking for.

Rick started off the weekend with an explanation of what he looks for in the Paso Fino gait. He said when judging, he looks primarily for even-ness of gait. "Ideally, the largo should be twice as fast as the corto. So if the horse cortos at 5 mph, then his largo should be 10mph".

He said the 'Fino-strip' is an essential tool for the rider and the judge to listen for the quality of gait.

He first made sure riders sent their horses forward at the corto, explaining that otherwise you can't collect them up correctly. He explained that he does a lot of transitions and stopping when he works a horse and introduced everyone to "the 1-2-3 of stopping. Seat, feet and hands, in that order!"

As each rider warmed up, he wanted to see how flexible their horses were. Riders weaved around the barrels or rode circles as Rick explained that if the horse is not flexible, his gait and performance will suffer. He explained the importance of riding circles and reverses with the correct bend. He drew a circle in the sand and said the horse's hind legs should step into the tracks of his front legs.

He showed Angela Tobin, (riding Nola Keill's four year old mare Bonita de Buttermilk) how to test and improve the mare's flexibility by moving her haunches over. He explained that the rider has to use the inside leg behind the girth to push while stopping the forward motion by holding steady with both hands. Then he had her move the shoulders over by putting her leg on in front of the girth.

He said that when doing these exercises with a young horse, or one with more brio, the rider should always send the horse forward if he tries to back up, or attempt the exercise from a walk, rather than a halt.

Rick explained the value of flexing. He showed his preferred technique to Sandy Baluta, riding Wintapi Mambo. "Cross your hand over the front of your body and pull his nose onto the point of his shoulder," he said, "that way you get lateral and vertical flexion". He then had Sandy walk a circle and flex Mambo's head around to bring him to a halt. Then she released his head halfway and circled again.

Working with Bonnie Austin, who brought a four year old filly, Rick decided to do some groundwork. "I like to start them off harder on the ground, and then soften up" he said, as he alternately lunged and led her around the obstacles. As her confidence in him grew, Rick got on and worked her on a small circle, using 'one rein stops' to keep her attention and improve flexibility. He kept changing directions, picking up on just one rein and holding the pressure until she stopped. She was resistant to the right, backing up and shaking her head. Rick said, "at home if a horse is unsure of something I'll work on it from the ground first, both for safety and to help the horse understand". When he took the rail the filly moved out with more confidence and went on to do well in group work with Bonnie.

REGIONAL NEWS—PASO FINO CLINIC AT RO-NO RANCH MARCH 21 & 22, 2009 (CONTINUED)

Nola Keill worked with Diane Dutt, riding her Performance gelding Cloud Nine Cometa. Nola explained that this gelding sometimes refuses to go forward. When he tried to stop and not circle around and through the barrels, Nola had her drive him forward hard, go out on the rail and then corto through the barrels with forward motion. Nola said that Diane needs to test him in situations at home where she knows she can 'win'. When he showed resistance to the rope-gate, Nola came up with a novel solution. She called for a lariat, which she looped around a small log. She then dragged the log alongside Diane to get the horse to accept the sight of the rope and log. Then she handed the rope to Diane and the horse readily accepted the feel of the rope on his body, even when changing direction. The horse went on to complete the rope gate to loud applause and a hug from his proud rider.

One of the highlights of the weekend for everyone was watching Rosanne Ashley's new grey Fino stallion El Pastor del Juncal. Nola, who trains 'Pastor', describes him as a 'gentleman'. Rosanne worked around the obstacles (yes the Fino stallion did the teeter-totter and the rope gate!) and then Rick rode him. Afterwards he said, "You don't have to have him just Fino all the time. Let him keep his ability to stretch his muscles in the long term by letting him gait faster and then bringing him back to Fino..."

When fifteen year old Jessica Brosko rode in on a young, hot filly, (Macadoo Tatiana, owned by Maribelle MacAlpin), Rick immediately told her to go ahead and corto. Turning to the auditors he said, "When you have a horse with brio you may not be able to have them flat walk straight away." Noting the filly's tendency to have 'attitude', he said, "You need to give a horse like this something to do straight away". He stressed the importance of safety, telling Jessica to always ask for forward motion if the mare felt like she was about to back up or rear. Tatiana settled and her rider was able to back her around the barrels. When Jessica asked how to keep her straight when backing, Rick pointed out that this is an important skill for the show ring. He said, "You have to use your legs and control the haunches". He also commented on Jessica's good equitation, pointing out that it's important to learn to keep your seat firmly in the saddle at all times!

Robin Wilcox brought her mare Cya and had questions about showing in Country Pleasure. Rick told her it was the ideal division for her mare because it does not require a 'pounding' gait. The class requires the horse to stand quietly for dismounting and mounting, which Rick noted can be a problem for some Pasos! Rick also worked with Robin on her canter, helping her pick up the correct lead by having her ask the mare to pick up the canter in the corners.

Mary Palm brought her gelding Cory. They worked on equitation and maneuvering through the obstacle course.

Karen Basehore, riding Zazamora HGF, also had questions about the show ring. She wanted advice on getting her mare to flat walk, prompting Rick to tell her "there's no easy answer!" He rode the mare and demonstrated how to flex in motion, taking her head repeatedly to the inside, or alternating one side to the other. He rewarded her for walking quietly by stopping the flexing.

There were notable improvements when the riders came together in the group work. All came away with a clearer picture of what a well trained horse should be able to do, and how to achieve it.

Rick calming rubbed the coat on Cory to desensitize him. Both rider and horse gained more confidence during the clinic.

RIDE THE TRAIL TO A CURE

I know that every one of us has been touched by Breast cancer in some way, either a family member, a good friend, neighbor, co-worker, etc.

Last year for the first time ever the "Red Hat Riders" (a small riding group I belong to) hosted a "trail to the Cure" ride. I am proud to announce that it was a huge success and we raised OVER \$20,000. I would like to invite Mason Dixon Paso owners to join us this year at the League of Maryland Horsemen in Marriotsville, Maryland. We had a wonderful time in spite of the weather being rainy and damp. We have a silent auction and the prize list was just too good to be true. Every one had fun bidding on their favorite items and then had a nice lunch afterwards. The ride had to be held the following day because of the bad weather. This ride is not for ladies only, the men are invited too !!

Please take the time to go on the website and read about his wonderful group that the ride benefits. This is not for research. The money goes directly to the cancer patients' daily immediate needs and their families. <http://ridetothecure.kintera.org>

For more information about the ride please feel free to call me.

Mason Dixon Breeders Futurity

What is a Futurity? It may have other meanings but in the horse industry, a futurity is a show where offspring of certain stallions have been nominated and entered to compete for prize money. The prize money comes from the nomination fees paid by the stallion owners and by the offspring owners.

2004 was the inaugural year for the Mason Dixon Breeder's Futurity at the Lexington, VA show. These stallions have been nominated to the Futurity. If you have offspring between one and five years old sired by one of these stallions, you can enter it in the Futurity. Before you plan your next breeding or purchase, consult the following list of stallions and go for the \$\$\$.

R & S STABLES

PRESENTS

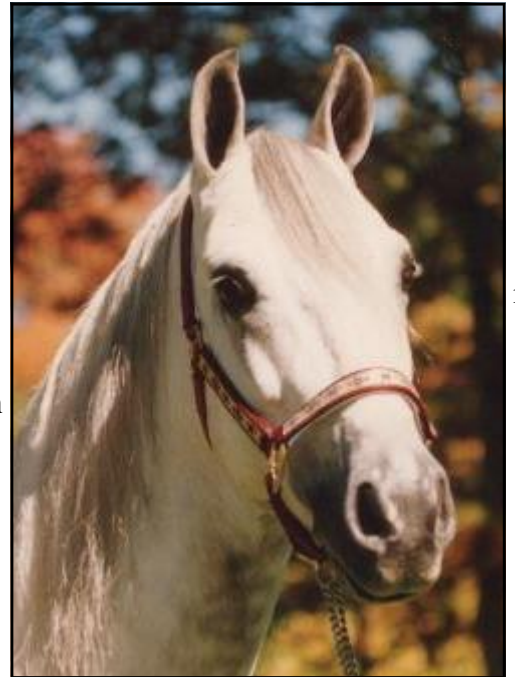

TWO STALLIONS FOR BREEDING

INTRODUCING: MONTECRISTO DEL PASO

Montecristo del Paso is our newest stallion at R & S Paso Fino. He is by the legendary stallion Capuchino. Monte is a 5 year old performance stallion with very quick footfall and evenly spaced four beat gait. He is correct in his conformation and looks just like Capuchino. What makes this horse special is his intelligence. He is one of the easiest horses that I have ever worked with. When you combine his mental ability, tremendous brio, natural gait and great conformation it is the formula to produce great offspring. Get in on the ground floor and try Monte in your breeding program - we expect OUTSTANDING results. Stud fee \$1000 for the first mare and \$900 for every mare after. Booking fee \$100. Contact Rick at rspaso@shol.com or (814)444-0622.

El Glatiador de Plebeyo is 17 years old. He stands 14.3 hands and is white (gray). He has been our main stallion at R & S and has produced everything from fino to outstanding pleasure horses. Glatiador is the son of the world famous Plebeyo. Glatiador has been a constant winner in the show ring the Classic Fino class. He has been used for many demonstrations and equine fairs. His offspring have also been successful in the show ring. He produces good size, intelligence, outstanding gait and great looks! I feel he would be an asset to anyone's breeding program. We have plenty of offspring that can be viewed at R & S Stables. Stud fee \$800 for the first mare and \$700 for every mare after. Booking fee \$100. Contact Rick at rspaso@shol.com or (814) 444-0622.

R & S Stables is a full time training and breeding facility. Rick Shaffer is the trainer and will assist you with all your horse needs. For more information about these two great stallions, your training needs or assistance with your equine questions, call Rick at (814)444-0622.

EDITOR'S NOTES

I tried to use a technique that Bev Doolittle uses in her equine paintings— camouflage. Can you find a tractor, a white horse, a white and black dog and two grandsons? These pictures were taken after a snowfall at River House Farm. You couldn't even find the lane leading to the county road. It was a winter wonderland.

I started a new page this issue — HAPPY TRAILS. Terri Moebuis and Adair Toddes were kind enough to kick it off with articles and pictures. Terri and Adair brought their horses to the clinics that were held at Lisa's. They really enjoyed themselves. Hope everyone can make one of our clinics or our shows. Dillsburg show should have an impressive Fino Stallion Class. I have seen four fino stallions in our regions that their owners said will be a Dillsburg. So if you have never seen fino, come and see these spectacular horses. Take care, Virginia
