

The Power Glide Picture Book

**Mason Dixon
Paso Fino Horse
Association**

November—December 2009

This is an addendum to the Power Glide newsletter. It is separated from the issue in an effort to reduce the cost of mailing and to reduce the time it takes to download the Power Glide. This addendum will contain the pictures that were too numerous to be included in the issue. Take care,
Virginia Foster, Editor of the PowerGlide

Pirata que Quebrada's first bouncing baby filly. Pirata is owned by Kevin and Karen Kraushaar
