

Mason Dixon Trail Blazers

Welcome To Mason Dixon Trail Blazers Mason Dixon's Trail Program!

The purpose of this program is to "blaze the way" for Paso Finos outside of the show ring. This is a trail program that is not limited to trail riding only but includes all pleasure uses of the Paso Fino. Whether you ride or drive on the trails, exercise ring, riding lessons, parades, etc., you may count all of that time toward this program. This is not a competitive program but one where you reach hours levels at your own pace and receive awards for those accomplishments.

Enclosed in this packet you will find a "tell us about yourself" letter. Please feel free to fill that out and return it. We would like to feature some of our **Mason Dixon Trail Blazers in Power Glide**. Please indicate on that form if we have your permission to represent a small bio about you. Pictures are also always welcome. There is no guarantee which issue of **Power Glide** it may appear in.

Enclosed you will also find log sheets that can be copied and used all year long. You may e-mail your hours to PasoVasz@aol.com

Again, Welcome to Mason Dixon Trail Blazers and Happy Trails!!
